2. Delivery will be given on making the above payments and on presentation of at least one signed and endorsed copy relative to the Bill of Lading. Where Bills of Lading are incomplete cargo owners will be required to provide a first class Dutch Bank guarantee for twice the pre-war c. i. f. invoice value relative to the goods before the latter can be released.

3. In addition to the above payments, all those who get their cargo released on these terms must make a deposit (to be adjusted later) of 5 per cent of the pre-war c. i. f. invoice value to cover legal expenses incurred by the London Chamber.

4. Those who have entrusted their interests to Messrs. Cox & Kings will receive from them full instructions regarding payment of the amounts specified above, and disposal of the documents. Those who are handling their goods independently of Messrs. Cox & Kings must make their own arrangements for presentation of documents and effecting payments to the Netherlands Indian Government, and the deposit of 5 per cent to cover the London Chamber's legal expenses can be made either direct to that Chamber or to Messrs. Cox & Kings.

5. The necessary general permit for the import of goods handled by Messrs. Cox & Kings will be issued shortly in accordance with the Government of India's Notification No. 135—M. I. (War) (8)—39, dated the 3rd January 1940. Those cargo-owners who wish to recover their cargoes independently of that agency should approach the Central Government for a special authority to import, and at the same time should furnish proof of the payment of the deposit of 5 per cent of the pre-war c. i. f. invoice value, *vide* paragraphs 3 and 4 above.
